INTRACITY VEHICLES

Bajaj RE - now known as Bajaj Intracity - is a name deeply inscribed in every Indian's heart. After all, it has been a tried and trusted companion for more than 50 years. By being the world's largest manufacturer of 3 wheelers and the largest exporter of 3 wheelers in India, it has been one of the highest employment generators. Other than India, the brand enjoys a strong presence across 36 countries.

Bajaj Intracity offers an extensive product portfolio of vehicles, compatible with all fuel types - Petrol, LPG, CNG, Diesel and for all categories - small, medium and big. With such a wide range of products, Bajaj Intracity is continuously exploring new dimensions to enhance its products and make public transportation easier and affordable for each commuter. In all major cities, Bajaj Intracity's products play a major role in providing last mile connectivity and therefore are considered as the most dependable commuting option.
